HORSE TRAINING POLICY

All training must be completed at CRK Training Stable in Yorba Linda. Full payment must be made and contracts signed before training begins, including vacation care. The days and time of training shall be of the trainers choosing. Owners may observe any training sessions, however, time of the session is the trainers choice. Length of each session may vary depending on the time necessary to accomplish the lesson for that day. Training rates are monthly only. Hourly rates apply for less than a full month of training. No refunds are given in the event inclement weather prevents training from taking place. Make up lessons may be offered.

Full Training, Program A, \$ _____ per month.

Full training is designed to exercise and educate the horse when the owner is unable to. Full training should increase or maintain the horses knowledge and usability for the owner. The type of training shall consist of what is decided upon by the owner and CRK Training Stable Staff.

Full training may include: Grooming, riding, lunging and/or round pen work, and turn-out up to six day weekly. Daily feeding of supplements provided by the owner, handle for vet or farrier, preference for trailer space for shows. Owner may take any regularly scheduled group lesson in place of one or two training sessions per week. Private or semi-private lessons are available at the regular rate. Blanket services are ½ price for horses in full training.

Half Training, Program B, \$ _____ per month.

Half training is designed to exercise and educate the horse in addition to the owner riding or handling the horse. Half training should increase or maintain the horses knowledge and usability for the owner. The type of training shall consist of what is decided upon by the owner and CRK Training Stable Staff.

Half training may include: Grooming, riding, lunging and/or round pen work, and turn-out 2-3 days weekly. Owner may take any regularly scheduled group lesson in place of one training session per week. Private or semi-private lessons are available at the regular rate.

Lunge & Groom, Program C, \$ _____ per month.

This program is for the horse owner who wants their horse exercised during the week. CRK staff will groom and exercise the horse 2 times weekly. Shoes will be checked and hooves cleaned. Exercise will be lunging in the round pen or arena with occasional turn-out. No riding or other training is included with the service. If needed, boots (provided by the owner) may be used. Weekdays only. Usual service is Tues/Thurs or Wed/Fri.
